

**ABOVETEK®**

ALUMINUM LONG ARM SECURITY  
**TABLET WALL MOUNT  
HOLDER**

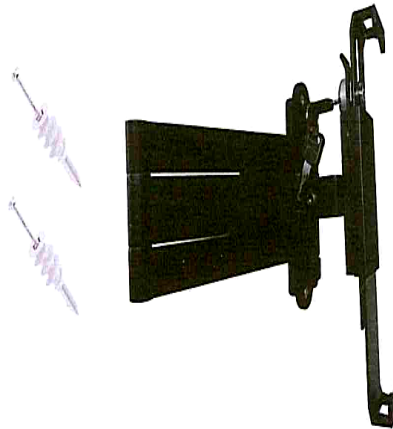

TH-258B : BLACK  
TH-258S : SILVER

**WHAT'S INCLUDED**

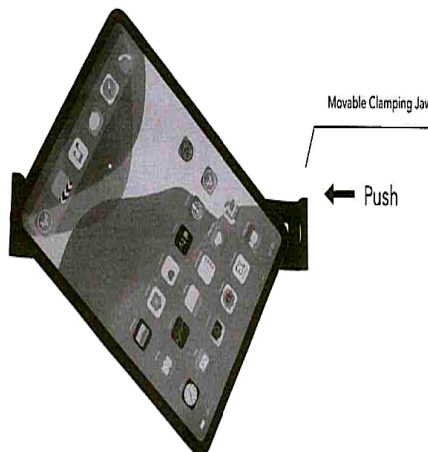

**STEP 1**

Mount the holder to your desktop or on the wall using the 2 screws and 2 plastic anchors.

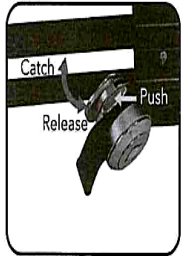

**STEP 2**

Secure the tablet with its diagonal corner clamped in the bracket tightly by adjusting the movable clamping jaw.

**STEP 3**

Push the lock latch into the movable clamping slot, lock the bracket with the key.

**STEP 4**

Double check to make sure the tablet is securely clamped in the bracket. Now adjust the tablet to desired angle and position.
